CONVENIENCE  
COMFORT  
& QUALITY

MARINE GRADE

This is what your boating experience is all about. Ambassador Marine products offer the Convenience and Comfort you're accustomed to at home, with the added Quality necessary to withstand the harsh marine environment.

Designed specifically for the marine customer, Ambassador Marine faucets, showers, sprayers and accessories carry added features such as stainless steel hardware, extended nickel-plating and state-of-the-art chroming process, ensuring long lasting quality and satisfaction.

**Noise Reduction Technology**, versatile installation options, heavy gauge passivated 304 stainless steel, tempered glass, real porcelain and coordinated marine-application specific drains will deliver on the "at home" feeling, while on the water.

Offering an array of designs, styles and finishes, Ambassador Marine can satisfy all your faucet and sink needs from the transom shower to the galley. Ambassador Marine products are truly *...products built for the elements.*<sup>TM</sup>

MARINE GRADE

DRAINS – 1 3/4"

Our 1 3/4" Drains are made from heavy duty plastic, brass and/or stainless steel and are available in a wide variety of configurations and finishes, to match our sinks and your décor.

Most vessel sinks use a 1 3/4" drain and are generally used as head sinks. 1 3/4" drains are the standard size drain for vessel sinks in North America and Europe.

If you need a configuration that is not shown, simply ask your sales representative for options. Minimum annual commitment and additional lead-time may be required for non-standard configurations.

DRAINS – 1 1/2"

MARINE  
GRADE

Our 1 1/2" **Drains** are made from heavy duty plastic, brass and/or stainless steel and are available in a wide variety of configurations and finishes, to match our sinks and your décor.

Sinks with 1 1/2" drains are generally used as head sinks. 1 1/2" drains are the standard size drain for lavatory sinks in North America.

If you need a configuration that is not shown, simply ask your sales representative for options. Minimum annual commitment and additional lead-time may be required for non-standard configurations.

DRAINS – 2"

MARINE  
GRADE

Our **2" Drains** are made from heavy duty plastic, brass and/or stainless steel and are available in a wide variety of configurations and finishes, to match our sinks and your décor.

Sinks with 2" drains can be used as galley or head sinks. This is the standard size for most sinks in Europe and the rest of the world.

If you need a configuration that is not shown, simply ask your sales representative for options. Minimum annual commitment and additional lead-time may be required for non-standard configurations.

MARINE  
GRADE

LIMITED WARRANTY

Ambassador Marine faucets, sprayers, shower, drains and accessories are guaranteed to be free from material and workmanship defects under normal use and service for a period of five (5) years from the date of purchase. Proof of purchase is required for any and all warranty claims.

Ambassador Marine sinks are guaranteed to be free from material and workmanship defects under normal use and service for a period of one (1) year from the date of purchase. Proof of purchase is required for any and all warranty claims.

This warranty will not apply to products that were improperly installed, misapplied or incompatible with components not manufactured by Ambassador. Failures due to foreign debris are not covered under the terms of this limited warranty. Ambassador will not warrant any product that is physically damaged, neglected or altered outside the Ambassador factory.

Do not attempt to clean your Ambassador product with any kind of chemical or abrasive cleaner. Any abrasive will mar the finish and void the warranty. Do not leave your Ambassador product exposed to salt air without cleaning it regularly with fresh water, after every exposure or use.

All authorized returns are to be shipped postage prepaid to Ambassador Marine's service center. A [Return Authorization Number is required](#) and must be clearly visible on the shipping carton. Package all returns carefully. Ambassador will not be responsible for freight damage incurred during shipping to our service center.

No credit or payment will be issued or allowed to consumers on any item deemed defective. Ambassador Marine's total obligation is limited to the repair or replacement of the defective item only, at Ambassador Marine's sole discretion. All returns will be examined and/or tested under Ambassador Marine test criteria. Replacements will be shipped freight prepaid. Products found by Ambassador to NOT be defective (under the terms of this limited warranty) are subject to charges to be paid by the returnee for the testing and packaging of "tested good" items and may be returned only at returnee's expense. Further damage may occur due to testing and is not the responsibility of Ambassador.

In no event will Ambassador, its affiliated companies or agents be responsible for any labor whatsoever, cost of removal or re-installation, incidental and/or consequential damages arising out of the purchase or use of Ambassador products.

This limited warranty is in lieu of, and supersedes all other warranties, expressed or implied, and no other person is authorized to give any other warranty or assume obligation or liability on Ambassador Marine's behalf.

This limited warranty covers Ambassador Marine products sold or distributed in the United States and Canada only. Customers who purchase Ambassador Marine products sold by distributors in other countries must consult their local distributors for their warranty policy.

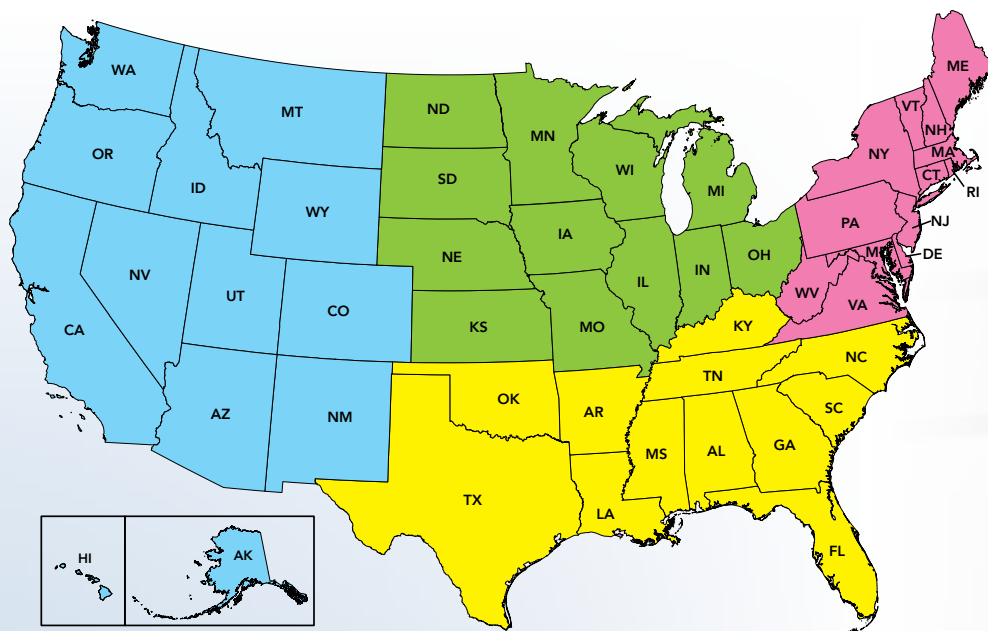

This warranty gives you certain legal rights which may vary from state to state.

*This warranty is only a representation of the complete Ambassador Marine warranty outlined on the Ambassador Marine website.*

*Ambassador Marine Inc. reserves the right to make product specification changes, price changes and to change or discontinue models without notice or obligation. All spec drawing dimensions ± 1/16", unless noted. Some components may not be drawn to scale. Actual color of product may differ from printed/on-line materials.*
