In addition, all warranties are null and void if any of the following events occurs: (a) the item is not provided to Ambassador for inspection upon Ambassador's request; (c) Ambassador determines that the item has been improperly installed or altered in any way; (d) Ambassador determines that the item was not used under normal operating conditions, (e) Ambassador determines the product was abused, neglected or not properly maintained, (f) Ambassador determines that an unauthorized repair, modification, disassembly, or other changes to the product created the alleged defect. This Warranty does not protect against damage to the product when Ambassador determines, in its sole discretion, that the damage resulted from "Acts of God" such as, but are not limited to: normal-use wear and tear, fire, lightning, flood, earthquake, storm, theft, vandalism, terrorism, war and labor stoppages.

INSPECTION:

Ambassador reserves the right to review the product and the site where the warranty claim occurred. Ambassador may require the purchaser to ship the item to Ambassador for inspection. The damaged item must remain available for inspection until the claim is finalized. In the event Ambassador requests to inspect the product, it agrees to dispatch its findings pertaining to the alleged defective product within 30 days of receiving the product. Package all returns carefully prior to shipment back to Ambassador. All returns must be shipped freight pre-paid. Ambassador will not be responsible for freight damage incurred when shipping goods back to Ambassador. Said items may be tested by Ambassador at Ambassador's discretion, which may result in further damage. If the sender wishes the items returned the cost of freight will be the responsibility of the customer. Whenever claims are settled, Ambassador reserves the right to be subrogated under any existing insurance policies the purchaser may have.

MAXIMUM LIABILITY:

Ambassador's obligation under this warranty is limited to the repair or replacement of the product, and that determination is strictly at the discretion of Ambassador. Ambassador will not be responsible for, nor credit customers for labor related removal and reinstallation. Product determined not to be defective will be returned to sender, freight collect, or destroyed by Ambassador at sender's option. Ambassador will not reimburse for unauthorized dealer or customer markup fees, time or labor unrelated to direct removal or replacement of this product.

LIMITATION ON LIABILITY:

In no event shall Ambassador be liable for direct, indirect, incidental, consequential, or multiple damages arising out of the use of the item, regardless of the legal theory on which such claim is based, even if Ambassador has been advised of the possibility of such damage. Consequential damages, even if foreseeable, shall include, but are not limited to: inconvenience; loss of time, profits, savings or revenue; or loss of use of the boat or vehicle.
