

# SHURflo<sup>®</sup> Marine Grade Faucets

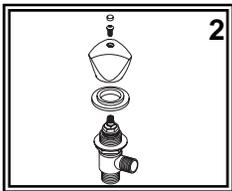

## INSTALLATION INSTRUCTIONS

### OEM Version

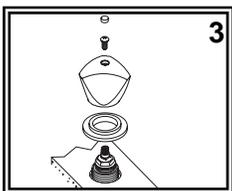

**Attention Manufacturers:**  
Please include this Installation  
Instruction sheet with your Owner's  
Documentation.

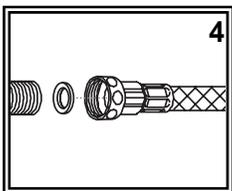

- (1) Check desired position to make sure there is enough room for a hose to connect to the side port of the valve, under the deck or inside the wall without getting caught on anything. Drill 1" hole in the deck / wall in the desired location.

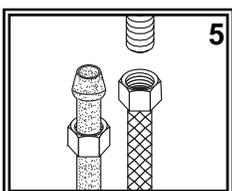

- (2) Remove the blue cap, handle screw, handle and escutcheon from the assembly. From the bottom / back side, insert the assembly through the hole.

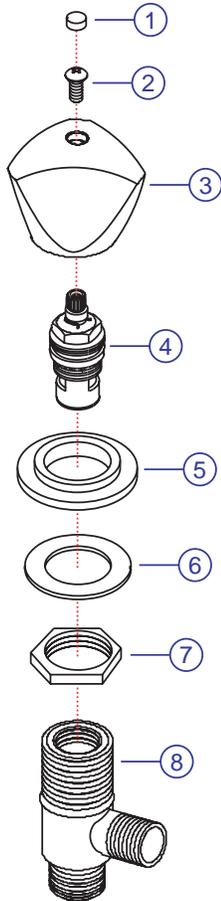

- (3) Screw the escutcheon back onto the valve body securely. Replace handle, handle screw and blue cap.

- (4) Connect the desired device to the side port on the valve.

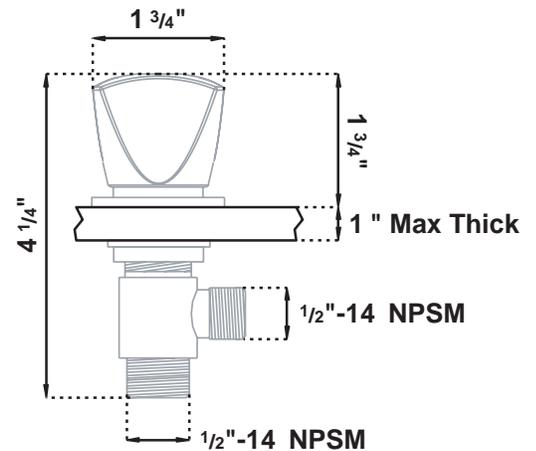

- (5) Connect cold water supply to the 1/2" NPT-Male inlets on the bottom of the valve. It may be necessary to use 90 degree elbow fittings, not provided.

**Parts**

- 1) Blue Cap
- 2) Handle Screw
- 3) Trinidad Handle
- 4) Ceramic Disc Cartridge
- 5) Escutcheon
- 6) Washer
- 7) Lock Nut
- 8) Valve Body

**PROPER FINISH CARE:**

Your new faucet is protected by a clear-coat. To clean it, you only need to wipe it with a damp, soft cloth. NEVER use any abrasive cleaners, steel wool, or chemicals, as they will harm the finish and void your warranty. If the faucet will be installed in a salt-air environment (boat exterior), regular cleaning with gentle soap and carnauba wax will prolong the life of the finish.

**LIMITED WARRANTY**

SHURflo Marine Grade Faucets & Accessories are guaranteed to be free from material and workmanship defects under normal use and service for a period of three (3) years from the date of manufactured vessel for all indoor applications and two (2) years from the date of manufactured vessel for all outdoor applications. This limited warranty will not apply to faucets or accessories that were improperly installed, misapplied, or incompatible with components not manufactured by SHURflo. Faucet failure due to foreign debris is not covered under the terms of this limited warranty. SHURflo will not warrant any faucet that is physically damaged, or altered outside the SHURflo factory. Warranty claims may be resolved by a SHURflo service center. All returns are to be shipped with charges pre-paid. Package all returns carefully. SHURflo will not be responsible for freight damage incurred during shipping to a service center. SHURflo's obligation under this warranty policy is limited to the repair or replacement of the faucets & accessories. Faucets or accessories found not defective (under the terms of this limited warranty) are subject to charges to be paid by the returnee for the testing and packaging of "tested good" units. Warranty returns will be shipped on a freight allowed basis. SHURflo reserves the right to choose the method of transportation. SHURflo is not responsible nor will it reimburse for labor necessary to remove and reinstall a faucet or accessory, if found defective. This warranty is only a representation of the complete Marine Products Limited Warranty outlined by Service Bulletin #1050.

★ SHURflo reserves the right to update specifications, prices, or make substitutions.
