### **The transition is complete!**

As I'm sure you have heard by now, the Ambassador line of Stainless Steel and Glass Vessel Sink, Drains and Accessories has been sold to SHURflo. They are now the SHURflo Marine Grade Sinks and Drains.

Now that the Ambassador Marine sink program transition is complete, please make whatever changes are necessary within your purchasing system to show them as part of the SHURflo family of plumbing products. Please issue new PO's to SHURflo effective immediately.

If you need assistance with setting up SHURflo as your vendor or have any questions about the transition, please contact your SHURflo sales representative or you can contact SHURflo directly at 1-800-854-3218.

Now as part of the SHURflo family of marine plumbing products, SHURflo Stainless Steel and Glass Vessel Sinks are available exclusively as part of the SHURflo 2009 program. Combining stainless steel and glass vessel sinks, marine grade faucets and sprayers, pumps, blowers and plumbing systems now make SHURflo your single vendor for all you plumbing applications.

In the days ahead, your SHURflo sales representative who will assist you with program details and help insure a seamless transition will contact you. We are pleased to tell you that Ambassador's principles, Scott and Marty Spiegel, will remain actively involved as part of the SHURflo team in order to assure program continuity.

We want to assure you that this merger will enhance and simplify your buying process. SHURflo's proven track record of top quality products and excellent customer service will ensure that you will continue to receive professional attention on all your plumbing needs.

If you have any questions, please do not hesitate to contact us at any time.
