**Ambassador Marine Awarded Longer Contract as IBBI Preferred Supplier**

**FOR IMMEDIATE RELEASE**– IBBI (Independent Boat Builders, Inc.) has awarded Ambassador Marine a four-year contract extension as an IBBI preferred supplier of faucets/sinks and accessories.

According to Scott Spiegel, Vice President of Ambassador Marine, “All of us at Ambassador Marine are thrilled to continue to be partners with the IBBI to bring our Ambassador faucets and sinks and our unique Danze OEM faucet program to the IBBI member builders. We look forward to growing our partnership.”

“I think that our continued partnership with Ambassador Marine is a good fit for our members. Their product line-up gives our members many choices,” Tom Broy, the President of IBBI, said. “ We look forward to working together to help our members offer the best boats to the end consumer,” Broy continued.

Founded 28 years ago, Ambassador began as a producer of high quality faucets and bath accessories for the Home Improvement Industry. Nearly 13 years ago, Ambassador Marine was formed in order to adapt their unique manufacturing expertise for the development of outstanding Marine Grade Faucets, sinks and accessories specifically for our industry.

IBBI was formed in 1989 by a group of independent, recreational boat builders. Today, IBBI is the largest marine purchasing cooperative, with 20 members.
