## LIMITED LIFETIME WARRANTY

All parts of the Danze faucet are warranted to the original consumer purchaser to be free from defects in material and workmanship for as long as the consumer purchaser owns it. To complete an electronic warranty card go to [www.danze.com/service/warranty](http://www.danze.com/service/warranty)

## FINISHES

Choose from the many options of colors and finishes we provide to achieve your desired look. First pick the product you like best, then select your finish. From classic chrome to trendy satin black or distressed tumbled bronze - the choice is yours.

\*Danze polished-brass models feature our Permanence® (PVD) finish, which resists corrosion and scratching. Great for outdoor use. 

## PRODUCT CARE

For years of lasting beauty, treat the finish as a delicate surface. For routine cleaning, use a soft cloth and water. A mild soap can be used to clean stubborn spots. Do not use cleaners or cleaning pads with abrasives since the abrasive may scratch the surface permanently. Avoid chemical cleaners, including those with ammonia. Chemicals can attack the protective clear coating present on many of our special-finish faucets. Use of such chemicals may void the warranty.
