PRODUCT CARE
For years of lasting beauty, treat the finish as a delicate surface. For routine cleaning, use a soft cloth and water. A mild soap can be used to clean stubborn spots. Do not use cleaners or cleaning pads with abrasives since the abrasive materials may scratch the surface permanently. Avoid chemical cleaners, including those with ammonia. Chemicals can attack the protective clear coating present on many of our special-finish faucets. Use of such chemicals may void the warranty.

TREYSTA® VALVE

WORK SMARTER. NOT HARDER.

G00GS525S

Engineered with plumbing experts in mind, the Treysta® tub and shower valve is Gerber's most innovative valve yet. Powered by more than 90 years of Gerber performance, Treysta provides flexibility based on the specific requirements of each installation. From the intuitive open and close stops for easy maintenance, to easy installation and pressure-testing features, Treysta saves both time and money.

FEATURES AND BENEFITS

- **Revolutionary Vertical Inlets –** Treysta's vertical inlets allow for maximum flexibility in the wall, and can install next to a stud in PEX applications without requiring reframing
- **Easy Pressure Testing Capability –** Treysta features an innovative pressure test cap to make the process of air and water pressure testing easier to complete
- **Easy Installation and Access –** With an easy-access mounting system and integrated depth indexing features on the plaster guard, Treysta is engineered to install smoothly and quickly
- **Flexible and Adaptable for Different Environments –** Treysta has a solution for "with" and "without" stops, and accommodates back-to-back installations and reversed hot and cold inlets, as well as IPS/sweat, Crimp PEX, and Cold Expansion PEX
- **Secure and Level Mounting –** The body of the valve features integrated mounting holes for a firm and secure hold, and the flat plane of the plaster guard helps ensure Treysta installs level with the wall
- **Innovative Common Platform –** Treysta uses a single, pressure-balance cartridge platform for all configurations allowing the Treysta cartridge to fit all of Gerber's tub & shower trim kits
