

INSTALLATION INSTRUCTIONS

Thank you for choosing Ambassador Marine.

Your new Ambassador Marine faucet, sprayer, shower or accessory will give you years of trouble-free performance. Please read these instructions carefully before installing your new item. If you have any additional questions about the installation of this product, please feel free to contact one of our friendly customer service representatives at 800.270.4262.

NEEDED TOOLS

Safety Glasses

Pencil (with Eraser)

Drill (with 1/8" Bit)

Screwdriver (Philips)

Allen Wrench (2.5mm)

Bubble Level

TOWEL RING / ROBE HOOK / SINGLE POST T.P. HOLDER / CUP HOLDER / SOAP DISH

1) Hold the item on the wall where desired. With a pencil, lightly trace completely around the base of the item (see figure 1). Remove the item. Loosen the set screw holding the body to the base and slide the base away from the body (see figure 2). Hold the base back on the wall in the outline drawn. With the pencil, mark the locations of the base's screw holes on the wall (see figure 3). Carefully erase the pencil line from tracing around the base.

2) Secure the base to the wall. For mounting into wood, fiberglass, or other solid surface, drill a 1/8" starter hole and attach the base to the wall as shown with the provided screws (see figure 4).

3) Slide the body back onto the base with the set screw pointing down (see figure 5). Tighten the set screw to secure the body to the base.

18" TOWEL BAR / 24" TOWEL BAR / DOUBLE POST T.P. HOLDER

1) Hold the complete assembly on the wall where desired. USE A BUBBLE LEVEL TO INSURE THAT THE BAR IS LEVEL. Note: For the Double Post T.P. Holder, the posts must be positioned slightly "in" to ensure tension on the roller. With a pencil, lightly trace completely around the bases of both posts (see figure 1). Remove the item. Loosen the set screw holding the bodies to the bases and slide the bases away from the bodies (see figure 2). Hold the bases back on the wall in the outlines drawn. With the pencil, mark the locations of the bases' screw holes on the wall (see figure 3). Carefully erase the pencil line from tracing around the bases.

2) Secure the bases to the wall. For mounting into wood, fiberglass, or other solid surface, drill a 1/8" starter hole and attach the bases to the wall as shown with the provided screws (see figure 4).

3) Slide the bodies back onto the bases with the set screws pointing down (see figure 5). If both bodies do not properly align with the bases, one or both bases may need to be slightly adjusted. Slightly loosen the mounting screws securing one of the bases to the wall, allowing the base to shift positioning within the mounting screws, correct the base's location on the wall and re-tighten the mounting screws. Tighten the set screws to secure the bodies to the bases.

- 1) Base
- 2) Mounting Screws
- 3) Body
- 4) Set Screw
- 5) Hook

PROPER FINISH CARE

Your new faucet or accessory is protected by a clear-coat. To clean it, you only need to wipe it with a damp, soft cloth. NEVER use any abrasive cleaners, steel wool, or chemicals (including alcohol or ammonia), as they will harm the finish and void your warranty. If the item will be installed in a salt-air environment (boat exterior), regular cleaning with gentle soap and carnauba wax will prolong the life of the finish.

Ambassador Marine reserves the right to update specifications, change prices, or make substitutions without notice.

LIMITED WARRANTY

Ambassador Marine faucets and accessories are guaranteed to be free from material and workmanship defects under normal use and service for a period of five (5) years from the date of purchase. This warranty will not apply to faucets or accessories that were improperly installed, misapplied, or incompatible with components not manufactured by Ambassador. Faucet failures due to foreign debris is not covered under the terms of this limited warranty. Ambassador will not warrant any faucet or accessory that is physically damaged, or altered outside the Ambassador factory.

Returns are to be shipped postage prepaid to Ambassador Marine's service center at: 1173 Calle Suerte, Camarillo, CA 93012.

A Return Authorization Number is required and must be clearly visible on the shipping carton.

Absolutely no credit or payment will be allowed for consumers on any item deemed defective. Ambassador Marine's obligation is limited to the repair or replacement of the defective item only, at Ambassador Marine's sole discretion. All returns will be examined and/or tested under Ambassador Marine test criteria. Replacements will be shipped freight prepaid.

This limited warranty is in lieu of all other warranties, expressed or implied, and no other person is authorized to give any other warranty or assume obligation or liability on Ambassador Marine's behalf. Ambassador Marine shall not be liable for any labor, damages, or other expenses, nor shall Ambassador Marine be liable for any indirect, incidental or consequential damages of any kind incurred by the use or sale of any defective product.

This limited warranty covers Marine Products sold or distributed in the United States and Canada only. Customers who purchase Ambassador Marine products sold by distributors in other countries must consult their local distributors for their warranty policy. This warranty is only a representation of the complete Ambassador Marine warranty outlined on the Ambassador Marine website and/or catalog.
