

Hand-Held Massager

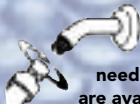

72" STAINLESS STEEL HOSE

Installs In Minutes – 5 Easy Steps

- 1) Remove existing shower head from your shower arm
- 2) Clean the threads on your existing shower arm
- 3) Wrap threads on existing shower arm with Teflon tape (included)
- 4) Attach bracket to your existing shower arm
- 5) Attach stainless steel hose to 8 function shower massager

Note: Your new Hand-Held Massager requires that your existing shower arm be threaded, most already are. If you do not have this style (shown here) you will need to install a new, threaded shower arm. Threaded arms are available at any local hardware store or you can order one directly from Ambassador. Call us toll-free at 1-800-270-4262.
